## LANGE VOLUNTEERS

**Lange School relies on our volunteers. There are several ways you can help to enhance our programming, assist with teaching students.**

In order to be an *in-school volunteer* we need three things:

1. For you to indicate how you'd like to volunteer by reading and signing off on the Lange Volunteer Guidelines below.
2. Attend a Volunteer Workshop. Training for all new elementary volunteers for Lange, Harman and Smith will be held at **Harman 2:00 p.m. and at E. D. Smith Elementary Thursday, Sept. 26 at 5:30 p.m.** Chrissy Elliott, Smith principal, and Sarah Hill will be reviewing volunteer expectations and procedures and Oakwood Safety Department Chief Alan Hill will be presenting on school safety. The training will last approximately an hour. Please feel free to attend whichever training is best for your schedule, regardless of location.

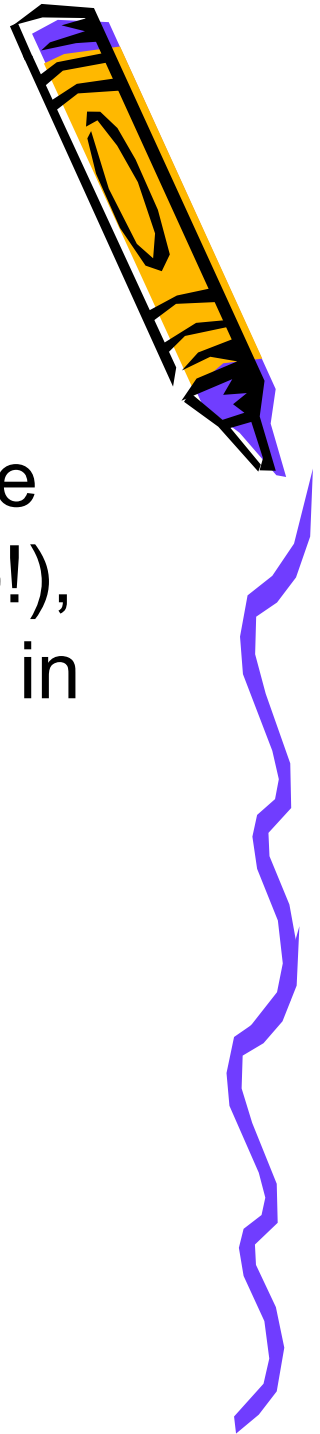

**\*If you have already attended the training in the last five years, please review the Volunteer Guidelines on our website.**

# FULL DAY KINDERGARTEN

We recognize that many of your children are tired by the end of the day (and teachers too!), and thank you for encouraging them to hang in there!

We have been VERY pleased with how well our kids are making this very big adjustment!

Thank you, families, for supporting what we do by sending us your healthy, happy, well-rested, well-fed children and for supporting their learning at home. We love your kids and appreciate YOU!

You are now dismissed to your child's classroom for a meeting with your child's teacher.
